EXPERIENCE

- ❖ Participated in DJ Sanghvi Drone Competition. (Feb'25)
Applied drone dynamics & programming for real-world challenges.
- ❖ Image Processing Trainee | Vidyalankar Institute of Technology, Mumbai (Dec '24- May'25)
Analyzed satellite image data, classified landforms using PolSARpro, and applied basic Machine Learning techniques.
- ❖ 24Hr Hackathon Participation | SPIT, Mumbai (Nov'25)
Developed a website called ChainGuard, which is an AI/ML-based system to analyze DeFi blockchain transactions and assign risk scores for fraud detection, and used supervised and unsupervised learning models with a dashboard for transaction risk visualization.

ACADEMIC PROJECTS

- ❖ Tic-Tac-Toe Game | DSA Project
Developed an interactive Tic-Tac-Toe using tree data structures and traversal algorithms for efficient game state management with a console/GUI interface.
Tech Stack: Java, Tree Data Structures, OOP
- ❖ Student Dashboard | Java Applet
Built a student management system with CRUD operations, profile/academic info handling, and a GUI with validation for reliable data management.
Tech Stack: Java, Swing/AWT, Applet Development

SKILLS

- ❖ Programming Languages : Python, HTML ,CSS, Java, JavaScript, MySQL,PostgreSQL
- ❖ Core Concepts : Data Structures, Analysis of Algorithms
- ❖ Tools : Github, Google Colab ,Google Gemini API,
- ❖ Areas of Interest : FullStack development, AI/ML

POSITION OF RESPONSIBILITY

- ❖ University Team Player of Vidyalankar Institute of Technology's Kabaddi Team
Contributed to Sport events and participated in various Competitions.
- ❖ Sports Council Extender
Contributed to organizing inter-college sports events and engaged as an active participant.

EDUCATION

- ❖ COMPUTER SCIENCE | Vidyalankar Institute of Technology (CGPA – 9.23 | Sept'24 – Present)
- ❖ XII (State Board) | Bhaskar Waman Thakur College of Science (67.83 | Feb'24)

ACHIEVEMENTS

- ❖ MHTCET Entrance Exam (85% | May'24)
- ❖ Secured Elite+Silver certification in NPTEL Java Programming (75% | May'25)
- ❖ Python Programming Certification in Codedex (May'25)
